

# HOUSING MATTERS BC

## Housing Investments in Victoria

In 2015/16, the B.C. government provided approximately \$32 million to support affordable housing for more than 5,100 low-income individuals, seniors and families in Victoria.

### Support for Seniors and People with Disabilities

The B.C. government provides support to **more than 2,280** seniors' households in Victoria through a range of housing options, including:

- More than 880 households receive [Shelter Aid for Elderly Renters \(SAFER\)](#) benefits. The program was expanded in 2006 and enhanced in 2014 to better meet the needs of low-income seniors. With the new enhanced benefit the average monthly payment is approximately \$175.
- Close to 480 seniors live in supportive and assisted living units in Victoria.
- There are more than 920 affordable homes for independent seniors in Victoria.
- The [Home Adaptations for Independence](#) program offers financial assistance for home adaptations to help eligible low-income seniors and people with disabilities improve accessibility and safety in their home.

More than 380 new units of housing for seniors and people with special needs have been built in Victoria since 2001.

### Families

The B.C. Government provides support to **nearly 1,500** low-income families in Victoria through a range of housing options, including:

- More than 220 low-income working families receive rent assistance to keep the cost of private market rental housing affordable through the [Rental Assistance Program](#).
- Over 1,220 low-income families live in subsidized housing.
- Nearly 70 provincially funded spaces available for women and [women with children at risk of violence](#).
